Your company's complimentary EAP program is available 24/7 and covers employees, spouses, domestic partners, and children up to age 26. The EAP is here to help when you're facing issues that interfere with your health, well-being, and productivity at home or at work.

The EAP offers up to **5 sessions face-to-face or telehealth** (no co-pay, deductible, or premium) with a qualified clinical expert who can assess your concerns and develop a plan of action. If you need a legal* or financial consultation, or ID theft resolution, you can speak with an expert for up to 30 minutes at no charge. EAP consultants can also provide you with childcare and eldercare information and resources for anywhere in the country. Additionally, the Home Ownership program is a valuable tool to gain a competitive edge as a buyer, and can save you thousands when buying or selling a home.
